### 1. Welcome, minutes and matters arising

- a) Minutes of meeting on 2 March 2017 agreed.
- b) Action log updated.

### 2. Finance

#### a) 2017/18 finance report

Kelly circulated the financial statement for 2017/18 updated with income and expenditure to 5 Sept 2017. There has been a substantial drop in member numbers and as a result it is likely that we will have a deficit by the end of the year. Expenditure remains stable and within budget projections.

**Kelly** to survey lapsed members to find out their reasons for leaving.

#### b) Committee member expenses

**All** - If your employer is not willing to pay please complete the expenses claim form and send receipts to Kelly.

### 3. Publicity and communications

#### a) Website

- o **Julie** to write a blog on alternative payment arrangements in UC
- o **Alan** and **Daphne** to re-organise website resources

## b) Social media

- Daphne now has access to Twitter.

## c) Email

- We have recently developed problems with using Outlook at CPAG to send messages to large numbers of recipients. Kelly has set up a Mailchimp account to use instead. It is free to use if we send under 12,000 emails per month (approximately 20). This should be fine. **Kelly** to email all members via Outlook to let them know.

## 4. Governance

### ● Committee members

- Eri has got a new job at Edge Hill University. As a result, there is a vacancy for a rep in Wales.
- Committee member list available on the [website](#)

### ● NAWRA development sub-committee

- No report this time. **Alan** to arrange a sub-committee meeting.

## 5. Policy and campaigns

- a) **Tom** to set up a working group on UC and disability. **Tom** to write some FAQs to post on the 'UC Survivors' Facebook group.
- b) Take-up work needed to get people onto legacy benefits before the implementation of UC. **Daphne/Julie/Corin?** to write blog for website.
- c) Appointeeships are poorly dealt with by HMRC. **Daphne** to contact Clive Davis (Newcastle City Council) and Julia Harris (Lambeth Council) to find out if they have met with the Office of the Public Guardian and to discuss next steps, including a potential judicial review.
- d) NAWRA to support the [Give me Five campaign](#) calling on MSPs to ensure the 2018/19 budget and Scottish Government spending plans include a top-up of child benefit by £5 per week. **Kelly** to contact Jenny Duncan at CPAG in Scotland and update the website.
- e) Following a data match with DWP, HMRC discovered that 33,000 families had not been receiving the disability element of child tax credit. [CPAG is bringing a case](#) on the refusal to backdate.

## 6. Reports from consultation groups and other events

- Daphne attends the DWP stakeholder group meetings.
- Maureen attends HMRC benefits and credits consultative group meetings.
- Tom attends disability stakeholder group in Wales.
- Craig attends the PIP forum in Scotland.
- Jim and Corin attend LGA advisers group meetings.

## 7. Promoting NAWRA and recruiting new members

- **Kelly** and **Alan** to re-write the 'Join NAWRA' page of the website so that it contains more information about the benefits of NAWRA membership.
